## Scheduling:

Drives are scheduled approximately once a month for 6 months. This delivers the best results.

Drive times fill up VERY quickly DO NOT procrastinate. We are often booking 40-60 days in advance.

We recommend driving with your student for a minimum of 10 hours a month.

We REQUIRE 48-hour notice of cancellation or a \$40 fee will be assessed. (10a Friday for Saturday or Sundays Drives)

We provide reminders of drives 72 hour in advance

Your student MUST complete their classroom portion before we will schedule drives.

### REFUND POLICY:

1. A nonrefundable amount of \$100 will be levied on all of our driver's education packages.
2. Any fines will be assessed before a refund will be given.
3. Once a student begins the classroom portion of the driver's education program that part of the package is no longer eligible to be refunded.
4. Unused driving sessions can be refunded at the amount of \$50 per session after the nonrefundable amount is assessed.
5. 120 days after registration no refunds will be granted.
